

**GLOBAL ECOPOWER MEETS INSTITUTIONAL INVESTORS
ON THE OCCASION OF LARGE & MIDCAP EVENT
IN PARIS ON OCTOBER 7 & 8, 2015**

Aix-en-Provence (France), September 28, 2015. Global EcoPower (Alternext - FR0011289198 - ALGEP), constructor of power plants using renewable energy sources, announces its participation in the 15th edition of the Large & Midcap Event, a conference dedicated to meetings between Euronext listed companies and institutional investors, which will take place on October 7 & 8, 2015 in the Palais Brongniart in Paris.

On this occasion, **Jean-Marie Santander**, President and CEO of GEP, **Philippe Perret**, Executive Vice President, and **Thierry Darier**, Director of Development, will come back to the half year results 2015 and comment on the latest operations of the group, in particular :

- the construction of the 10MW wind farm on behalf of its subsidiary Parc Eolien de Seuil Mont Laurent in the municipalities of Seuil and Mont-Laurent (department of Ardennes), the financing of which GEP completed in August through a credit agreement of € 12.7 million and a VAT bridge loan of € 2.6 million;
- the strengthening of its equity through the issuance of bonds convertible into shares with warrants (OCABSA) and of two lines of warrants that could lead to a potential capital increase of a maximum total amount of € 13.25 million;
- the implementation of the group's development strategy in wind energy which consists of **(i)** acquiring the rights to build wind farms, **(ii)** financing the equity and implementing the bank financing, **(iii)** constructing, commissioning and connecting the power plants, and **(iv)** selling them, while continuing their operation on behalf of third party investors.

About Global EcoPower (GEP)
